Respect Ambition Determination Adventure

Friday 28th September 2018

Dear Parents/ carers

Thank you to those who have contributed to our harvest collection today. We have received thousands of coins and are currently in the process of counting them. We will let you know the grand total early next week. Congratulations to Owls class for a lovely harvest assembly and thank you for the harvest loaf, which the children have all enjoyed.

Year 6 are on school camp next week! We hope they have a fantastic time. As well as their class teachers, the members of staff accompanying them are Mr Griffiths, Mrs Say, Mrs BG, Mrs Sutherland. Whilst Mr Griffiths is away, Mrs Berger will be teaching Woodpeckers class.

A few reminders....

There is definitely an Autumnal feel at the moment, and we were caught out last week with several showers. Please can you make sure your children have their coats in school, so that we can go outside in this changeable weather.

We would very much appreciate it if you could leave the school grounds promptly at the end of the day. This is for safeguarding reasons as we have our after school club running and they use the outdoors as much as they can. Thank you

Mrs Lois Haydon, Head Teacher

Year 1

Rabbits and Owls spent yesterday afternoon baking bread rolls to celebrate harvest. They

showed great teamwork and all really enjoyed kneading the dough. They are looking forward to sharing and eating the rolls in class.

Parking

It has been brought to our attention, that people are parking on the yellow lines and drop down kerb, opposite the main school entrance. Please observe the parking restrictions around the school roads, as they are there for the safety of the children and pedestrians. Parking on the kerbs is also impeding people with buggies who are trying to get past .

After school sports clubs

Please ensure you have completed a permission slip and handed it in, before your child attends an after school sports club.
