Respect Ambition Determination Adventure

Friday 5th October 2018

Dear Parents/ carers

More reminders from me this week I'm afraid!

- Please remember to park considerately when dropping off and picking up, and remember that yellow lines are there to prevent parking. Parking on pavements causes an obstruction for those who are walking. Sadly, we have had to contact the council this week to monitor how people are parking around the school.
- Please can I also remind you that dogs are not allowed onto the school grounds.

We are reviewing our procedures for informing parents about incidents which may occur in school—when we need to text or make a call etc. If you have any strong opinions about this which you wish to share, please email to let us know. Obviously there needs to be a balance and 'reasonableness,' but we know that sometimes we haven't got it right and we want to fix this!

Have a lovely week!

Mrs Lois Haydon, Head Teacher

KS1 target Festival

Mangotsfield Secondary school hosted another well organised 'Throwing and Catching Festival' on Monday afternoon. Tynings staff selected 4 talented Y1 and Y2 pupils to represent the school against 8 other primary schools.

Year 8 pupils helped to explain the rules of each activity and to time the 5 minutes practice session. Each KS1 team participated in Curling, throwing at a target ball, Hit the Wicket, rolling into a hoop, and hitting a series of cones. The most popular event was archery! Wow!

We scored most on 'Hit the Wicket' and Isla and Kayla beat the boys on the curling scores. Zayd and Ben scored well in most events and Poppy and Sophie had super co-ordination to keep the scores high. A brilliant time was had by all and many thanks to the parents and Granny, for bringing their children. Mrs Symons might recover from the excitement by the end of the week!

Harvest Loaf

A big thank you to Ryan's dad in Year 1, for baking such a magnificent loaf! It was enjoyed by all.

Pedestrian Training

Year 5 have been learning all about road safety. In a classroom session, they learnt about the different crossings and how and where to cross the road safely. Then, they went outside, to put into practice, what they had learnt. Thanks to Andy from the Road Safety team for carrying out the training.

Photographer

The school photographer will be here on Monday 8th October and Friday 12th October. Photos with pre-school children will take place on the Monday from 8.15 am.
