Respect Ambition Determination Adventure

Friday 12th October 2018

Dear Parents/ carers

Thank you to all of those parents who were able to attend one of our Ofsted sessions. The feedback for how we can continue to improve the school was excellent - we will add this onto the Ofsted page of our website in due course.

One of the items raised was about parent helpers, and do we want you....of course we do! If you can spare a regular slot in the week or even a one off amount of time, we would love to hear from you—please complete the slip at the end of the newsletter to indicate how you can help, and return to the school office .

We are also looking for volunteers to help us to plant some spring bubs, kindly donated by the PFSA. If you are able to come in and help us on Tuesday 23rd October from 1.15 onwards, that would be very much appreciated—again, please indicate on the slip at the end of the newsletter and return to the school office. Thank you!

Mrs Lois Haydon, Head Teacher
