Respect Ambition Determination Adventure

Friday 19th October 2018

Dear Parents/ carers

Thank you to the PSFA for organising last night's discos. They were very well attended and looked to be a success, although I now can't get that 'baby shark' song out of my head! The children enjoyed their events.

Don't forget, we are planting bulbs next Tuesday afternoon. We would love your help for this—please let the office know if you haven't already returned the slip from last week's newsletter. The more the merrier!

In addition to the section about the netball team's achievements last week detailed below, there is also more news... The team took part in the 'Come and Play' tournament yesterday and were really successful. They played 4 matches, beating Barrs Court & Beacon Rise, both 1-0, drawing with St Stephens 0-0 and losing to The Park 1-0. A fantastic way to start the season—well done everyone who took part and many thanks to our coaches, for ensuring the team were ready to take part.

I look forward to seeing you all at Parents evening next week!

Mrs Lois Haydon, Head Teacher

## Netball

Our netball team had a great time last week, when they were coached by team Bath players (some of whom will be playing in the super league this season) at Mangotsfield School. They learnt some great basic netball skills in a range of fun drills and are looking forward to using them in this week's tournament.

## Fox Class

Fox class have been learning about Banksy and creating their own Banksy inspired art work.

### First Aid Training

Falcons class had first aid training from St John's Ambulance this week. They learnt how to follow DR ABC (Danger, Response, Airways, Breathing, Circulation), when approaching a casualty and how to put the patient in the recovery position. They also learnt how to apply bandages and what to do when someone was choking.

### School Council Elections

I would like to thank our school councillors who have done such a great job over the past year - they have helped re-organise our lunchtimes, bought lots of play equipment for the school and advised us on our behaviour systems amongst lots of other things! Our current school councillors have now completed a year in the role so it is time to elect our new councillors.

We are holding elections for our new councillors on Friday 26th October. If your child would like to represent their class as a school councillor, they need to prepare a short speech to deliver to their class. In their speech they should include why they want to be a school councillor and give reasons why their classmates should vote for them. One person per class from Y1-Y6 will be elected, with the new councillors announced in our celebration assembly at the end of election day. If you have any questions, please don't hesitate to contact me. Mrs Berger

### ATTENDANCE: LAST WEEK

Total attendance for the week: 95.7%

Best class attendance: Badger 99.6%

Best house attendance: Teewell 98.2%

Again, the whole school attendance was amber, with 5 red classes, 2 amber and 7 green. Please let's try and be green next week, with the majority of classes having 100%.
