

Geography:

This term we will be learning about the 7 continents and 5 oceans. We will also study the country of India, learning about all aspects of life in India.

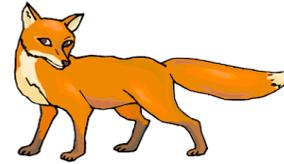

Home Learning:

We would like your child to make a fact file about one of the seven continents. This could be in the form of an information poster or booklet. Some of the things you could include are information on what animals live in the country, the type of food that is eaten there, what the climate is like or information on famous landmarks. Please make sure the fact files are in school by the 7th December.

General Information:

- Please make sure your child practises their spellings each week ready for the weekly spelling test on Friday.
- Please make sure you read with your child as much as you can at home.
- Year 2 PE days are Monday and Thursday. Please ensure that your child has their PE kit in school on those days. It is also important that your child's PE kit is named, especially inside daps, so that pieces don't go missing!
- Please remember your child needs to bring a water bottle into school every day.
- We LOVE having visitors in Year 2 so please do come and see us if you would be available to help in class. There is no expectation that help is a regular thing so if it is only a one off we would still love to see you.

Year 2 Newsletter: Deer and Foxes

Term 1 and 2 Topic:
Beyond our Front Door.

We have had a really fantastic start to Year 2! If there is anything that you would like to talk to us about or if you have any questions, please do come and see us after school.

Miss Briggs and Miss Hannan

Year 2 Team

Deer Class:

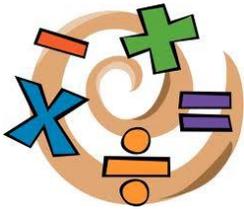

Class Teacher: Miss Hannan, Teaching Assistant: Miss Levine

PPA Cover: Mrs Davis

Fox Class:

Class Teacher: Miss Briggs, Teaching Assistant: Mrs Phillips

PPA Cover: Mrs Say

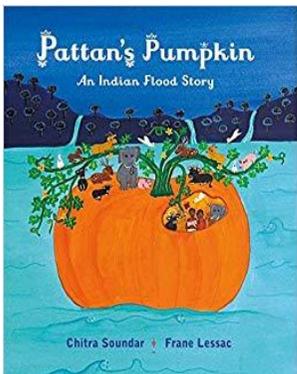

Maths:

We will start Maths this term with finishing our subtraction topic, then we will move onto multiplication and division. We will then teach time and shape. We will start times tables tests at some point this term so we will let you know about this in due course.

English:

This term we will be focussing on non-fiction writing and we will be reading Pattan's Pumpkin. We will be learning to use a range of conjunctions and write in the past and present tense.

PE:

We are following the 'Real PE' scheme of work which is a skills based scheme. This will help the children build up the skills needed for a variety of team sports that they will be playing over the course of the term.

RE:

Mrs Davis and Mrs Say will be teaching RE. The children will be learning about Hinduism as this links with our India topic. There will be a focus on learning about festivals such as Diwali.

Art:

We are studying India this term so we will be making Diwali lamps and Rangoli Patterns. We will also be making hot air balloons as part of our flight topic.

History

We will be learning about the history of the aerospace industry in Bristol and significant historical events such as the first aeroplane flight. We are looking forward to our school trip to Aerospace Bristol on the 7th November!

Science

We will be learning about flight and experimenting with a variety of materials to see which would make the best parachute!
