

Please make sure names are on all your child's uniform and PE kit.

If you would like any more information on our learning or to ask any questions, please come in and see us after school.

Homework

There will be a project set for your child to complete once every term (3 per school year) to be shared with their class. More information will be sent to you soon.

Spellings will be sent home on a Friday, taught on a Monday and tested the following Friday.

Times tables will be tested on a Friday.

Please continue to read, practise spellings and practise times tables every day. **This is extremely important for their learning.**

Remember to go on Spellodrome and Mathletics too.

Becoming Better Learners

Across the school, we are working on encouraging the children to become better learners. Please ask your child about helpful and unhelpful talk, and movers and blockers.

Useful websites

www.bbc.co.uk/schools

The Primary and Bitesize sections have maths, reading and writing activities and games.
