Respect Ambition Determination Adventure

Friday 9th November 2018

Dear Parents/ carers

It has been a very busy first week of term: Year 2 have visited the Aerospace Museum, Y6 have completed the Lifeskills programme at The Create Centre, and we have launched our 'Year of Adventure' in school. Every year group has completed a specially planned activity designed to excite and inspire (Year 1 will complete their activity next week). We have had plastic rockets shooting around the school, children making 'moon sand' and special containers made to protect flying eggs, just to name a few! We have further exciting activities planned—watch this space!

I have some good news; Mrs Haydon had her operation at the beginning of the week. All went well and she is now on the road to recovery. We look forward to her return to school in Term 3.

Have a lovely weekend!

**DO YOUR  
THING**

**BBC  
Children  
in Need**

Children in Need is on Friday 16th November. This will be a non-school uniform day. This year's theme is 'Do your Thing' so come dressed in whatever reflects you! All we ask for is a donation of £1 in return for not wearing school uniform. Please do remember it is a school day though, so clothing needs to be practical and warm.

## Remembrance

To mark the passing of 100 years since the end of World War One, the children have participated in assemblies explaining Remembrance. We will hold a special assembly this afternoon where Rabbits Class will lay poppy wreaths under the Tynings tree and, weather permitting, Owls Class will go to Page Park to lay a poppy wreath at the war memorial.

## Lunchtime

After the recent wet weather, our field has become very muddy and slippery. This means the children will not be using the field during playtimes and lunchtimes from next week until the weather improves and the mud dries up! The children will still be allowed to use the playground and the play trails. We will also open up one of the classrooms every lunchtime so children who prefer to draw or play board games can do so. This will be supervised by two of our lunchbreak supervisors.

Because there will be limited space on the playground, football will be played on a rota basis at lunchtime:

Y1/2—Monday Y3—Tuesday Y4—Wednesday

Y5—Thursday Y6—Friday

This means there will be plenty of space on the playground for a range of games, not just football!

## Have your say on the potential removal of recycling bags for kerbside collections

South Gloucestershire Council is currently consulting on a proposal to stop providing white and green bags for recycling and asking residents to use green boxes for all their recycling materials. The consultation is open until **25<sup>th</sup> January 2019**

Visit the [webpage](#) to see more details on the proposals, the initial equalities impact assessment and a PDF copy of the survey available to download and print.

## Christmas on the Hill

We were asked this week if any of our pupils would like to participate in raising money to help run the amazing Christmas on the Hill annual event by packing bags in Tesco (Staple Hill) on Saturday 17th November from 11am until 2pm. Children will need to wear their school uniform and, **as this is not a school-organised event, parents will need to supervise their children.** School staff will **not** be present. If you think you would like to take part, please contact the school office by Tuesday 13th November so we can let the organisers of Christmas on the Hill know how many people to expect!

## Looking for a venue?

*Our school hall is available for hire for events, birthday celebrations, community groups, exercise classes or sporting events.*

*For more details please contact Tania Masters, School Business Manager.*

## ATTENDANCE: LAST WEEK OF TERM 1

Total attendance for the week: 94.8%

Best class attendance: Owls 98.7%

Best house attendance: Rodway 97.6%

A poor end to Term 1, with only 4 green classes, 2 amber and 8 red. Please let's try to make Term 2 green every week!
