

The Tynings News

Respect Ambition Determination Adventure

Friday 5th April 2019

Dear Parents/ carers,

It's been lovely to see so many parents and carers in school this week for the end-of-unit WOW events; this is a great opportunity for children to share their learning with parents and carers. There has been singing, dancing and even a strict Victorian classroom to enjoy! I would also like to congratulate our Y3 and Y4 children once again for their super evening performances this week.

This week we are saying goodbye to Mrs Fahey and Sallie. Mrs Fahey has secured promotion at a local school; she is taking on a full-time role as SENDCo and classroom teacher so she will be very busy! Mrs Fahey has taught at The Tynings since 2013 and has worked tirelessly to improve the sports education for children throughout the school. She will be hugely missed by parents, pupils and staff.

Sallie, our Breakfast and After-School Club Manager, has been at The Tynings for almost eleven years. Sallie is taking on new challenges and is moving to a non-school based job which hopefully means she doesn't have to start work so early in the morning! Thank you Sallie for all that you have done for our school!

Congratulations go to Mrs Brown who is also leaving us this week, but thankfully only for a short while. Mrs Brown is expecting her first baby and will begin her maternity leave at Easter. We are all looking forward to meeting Baby Brown, and welcoming him/her to Team Tynings!

We would also like to welcome Mrs Pike to the Tynings Team. Mrs Pike is an experienced teacher who will be working with Badgers Class for the remainder of this year. It's good to have you on board, Mrs Pike!

I hope you all enjoy a relaxing Easter holiday. I can't wait to see you all again next term!

Mrs Angela Berger, Acting Head Teacher

STEM

Ten Y4 children from The Tynings joined fifty Y4 children from five local primary schools last week for a morning of STEM workshops. The children built and tested their own wind-powered vehicles in one workshop and created a powered model of a fairground ride using KEX in the other workshop.

The children from all six schools were mixed up and worked in small groups to plan and build together. In doing so, they made new friends, learned new skills and had a great deal of fun.

STEM projects take place in schools and colleges across Britain and the world to develop skills in science, technology, engineering and mathematics. STEM projects are designed to enthuse and inspire children. There is no doubt that all sixty children (from Rangeworthy Primary, North Road Primary, The Tynings, Wellesley, Holy Trinity and Bailey's Court) enjoyed the experience and may well become the scientists, designers and engineers of the future.

HOLY WEEK

SERVICES

at St Stephens Soundwell

Join us at
8AM & 10AM

Church Road, Soundwell
Bristol BS164RH
Telephone 0117 956 6257
saintstephensoundwell.org
CHARITY NUMBER 131503

HOUSE POINTS: RUNNING TOTAL

Teewell:	4411	HP
Rodway:	4411	HP
Page:	5040	HP
Eastleigh:	5121	HP 1st place, well done!

ATTENDANCE: LAST WEEK

Total attendance for the week: 96.4%

Best class attendance: Foxes & Otters 99.3%

Best house attendance: Eastleigh 98.3%

Another disappointing week, where attendance stayed amber. There were 8 green classes, but 5 red and 1 amber. Please let's start Term 6 with all green classes.
